

District 10
2009 Girls Volleyball
Tournament

TO: D-10 Girls Volleyball Coaches, Athletic Directors, Principals

FROM: Kris Waskiewicz, D-10 Girls Volleyball Chairperson

SUBJECT: D-10 Girls Volleyball Tournament

DATE: August 4, 2009 **REVISED 9/1/09**

The District 10 Volleyball Tournament for girls will be held at Meadville High School on Wednesday, November 4, Thursday, November 5, and Saturday, November 7 and at Seneca High School on Tuesday, November 3. For A teams the tournament will be held on Wednesday, November 4, and Saturday, November 7. For AA teams, the tournament will be held on Thursday, November 5, and Saturday, November 7. For the AAA teams, the championship game will be played at Seneca High School starting at 7:00 PM on Tuesday, November 3. The tournament will start at 5:00 PM on Wednesday, 4:00 PM on Thursday and 12:00 AM on Saturday. If the pool play is not completed on Wednesday or Thursday and there are tie breakers to be played, the remaining games will be contested on Saturday morning.

The format will be a pool play again this year for A and AA teams. All pool play matches and semi-final matches will be best of three rally scoring. **If a third game is needed, it shall be a 25 point game.** In the A class, there will be two pools of three teams each. In the AA class, there will be two pools of four teams each. At the end of the pool play the two top teams from each pool will advance to the playoff brackets. All championship matches will be best of five, rally scoring. The AAA championship will be a match between McDowell and Strong Vincent. The AAA District Champion will then play the winner from District 9 and District 6 in order to qualify for the Regional AAA tournament. Sheets showing the tournament format, the pools and the playoffs are enclosed.

The first place team from each region will automatically qualify for the District 10 Tournament. According to the D10 Guidelines, **in mixed classification regions, the highest-ranking team in the classification will qualify (if one is not region champion) provided there are two or more teams of the same classification** In the A competition, there will be three first place qualifiers and three at large representatives. In the AA classes, four first place teams will qualify from each of the regions and the next four teams with the highest winning percentage in region competition will qualify for the tournament. If a tie exists so that there are more than the required number of teams qualifying, a tie breaker will be held before the District tournament.

I have enclosed a listing of all schools by regions and classes. The bracketing for all three classes is included. If there are any questions, feel free to contact me.

Teams should not arrive at the site before 4:15 PM on Wednesday and 3:15 on Thursday and 11:00 AM on Saturday. There is a problem with buses coming into the complex before the Meadville buses pull out so on Thursday all teams are asked to not arrive before 3:15 PM.

Before your first match you will be given 10 minutes warm-up time on the court. **If you have the first match of the day, you will not be permitted to use the court for spiking until fifteen minutes before the start of the match.** After your first match, warm-up time will be limited to 5 minutes.

There will be an auxiliary gym available for teams to warm up. Starting times are only tentative as matches will start as soon as the warm up time is completed.

There will be no entry fee again this year. All teams need to submit an eligibility sheet prior to your first match. A roster should be submitted as soon as possible so they can be typed up for the program. The roster needs to be in numerical order. If you think you have a chance of qualifying for the tournament, I would appreciate receiving your roster as soon as possible.

There will be an admission charge of \$4.00 for the preliminaries on November 4 and 5 and a charge of \$5.00 for the finals on November 3 (AAA) and November 7.

A scorekeeper must be provided by each team for each game you play. The home team's scorekeeper will be the official one. The visiting team must also provide a person to run the electronic scoreboard for each match and also a person for the libero tracking . Lines will be called by PIAA officials for all matches.

If you wish to recommend officials for the District Tournament, the names can be e-mailed to me. I will also obtain recommendations from the various chapters and use both lists to choose the officials for the tournament. Coaches do have a say in the officials but I need those names by September 25, 2009.

Schools who wish to be eligible for an at large position must e-mail a copy of their record and a list of their region scores by games to me by Friday, October 30, 2009, at 9:00 AM. The e-mail address is waskie@roadrunner.com. Determinations will then be made for the at-large berths. The only scores that are needed are the region matches. If there are any questions, I can be reached at home, 814-825-9191 or on my cell, 814-572-8304. My mailing address is 10140 Wattsburg Rd, Erie, PA 16509.

Marketing items will be available from District 10 and will be sold on all days at the tournament.

The format for the state tournament will be the same as it was for the 2008-2009 school year. This format provides for the advancement of sixteen teams in each of the three girls volleyball enrollment classifications to a single elimination regional first round play (best three out of five scoring games). This year AAA will again have a play in game in order to advance after Districts. Both A and AA will send two teams to the Regional playoffs. Regional playoffs will be held Tuesday, November 10, 2009. The winners advance to quarterfinal round pool play and single elimination semi-finals at Central York High School on Friday and Saturday, November 13 and 14, 2009.

- a. The team with the best winning percentage of games involving the three (3) tied teams (divide number of games won by number of games played) shall be declared the first place team from that pool.

- c. If all three (3) of the teams from the same pool remain tied after applying tiebreaker criteria (a) and (b), the team with the best winning percentage of points involving the three (3) tied teams (divide number of points won by number of points played) shall be declared the first place team from that pool.

The winner of the 15 point (no cap), 2-point advantage rally scoring tiebreaker game is declared the second place team from that pool. The team that was the winner of the match played between the two teams shall be the home team for the tiebreaker.

- f. In the event the first place team completes pool play with a 3-0 record and the remaining teams are all 1-2, the same criteria shall be used in determining the second place team from that pool. After determining the top seed of the remaining tied teams, the two (2) lower seeds will immediately play one (1) 15-point (no cap), 2-point advantage rally scoring tiebreaker game. The winner of the 15 point, 2-point advantage rally scoring tiebreaker game will then play one (1) 15 point (no cap), 2-point advantage rally scoring tiebreaker game against the previously determined highest seed, to determine the second place team from that pool.
